

THE COMMEMORATION OF CONFLICT

14-16 SEPTEMBER 2018, HULL

We are very pleased to be bringing the SCA conference to Hull, the UK's 2017 City of Culture. The conference will address the themes of war and commemoration in churches and churchyards, not only taking into account the centenary of the end of the Great War, but also considering the implications of war and memorials throughout the medieval and early modern periods. We will also focus on ecclesiastical expressions of conquest and remembrance of the dead.
